Find out about proposed design modifications to ramps at the Capital Beltway interchange with the Dulles Toll Road and Dulles Airport Access Road. The proposed design change would give motorists heading to or from Dulles Airport a direct connection to/from the Dulles Access Road. Currently, motorists heading to or from the Airport must weave across several lanes of the Dulles Toll Road to enter/exit the Dulles Access Road. These proposed design modifications are part of the I-495 Beltway HOT lanes project.

Stop by anytime between 7 p.m. and 9 p.m. to view displays and learn more about the proposed design modifications. Virginia Department of Transportation representatives will be available to answer your questions.

Give your written or oral comments at the meeting or submit them by **November 24, 2009** to Ronaldo T.
